

# Havana Brown Kitten Questionnaire

The following questions are being asked to help us determine the right kitten for you and to give us confidence that our kittens are being placed in the best homes possible. The placement of each kitten is made by bringing the various requirements of both the kitten and new owner into perspective. Questions are not intended to disqualify you from being eligible but rather to help us understand your desires and to help you understand the expectations of kitten ownership.

## THE ANIMAL'S WELFARE MUST BE OUR FORMOST CONSIDERATION IN DETERMINING PLACEMENT OF CAT OR KITTEN
